

City Council Two-Year Work Plan

Staff Priority Rankings

Instructions:

For each project, program and/or activity (attached) assigned to your department only, please prioritize in the designated column as follows:

- Priority A: These projects or programs are those that are to be completed, or for which a substantial milestone will be reached, in the coming fiscal year.
- Priority B: The projects or programs are not necessarily less important than “Priority A”, but they are reflective of the fact that many of the City’s objectives are long-term by nature, or are sequenced to be completed with the same staff resources after current “A” priorities are completed or in some cases priorities that cannot be fully funded in a single year.
- Priority C: These projects or programs are other initiatives to be worked into the schedule as capacity permits.
- Priority D: Not recommended at this time.
